The Right Choice

Summer Time Fun.

May 2009

Although every day is a new learning adventure in some sort of art, math, science, geography, and early reading, our last day of preschool lessons for the summer is May 20th.

We will continue to adventure in learning and experiencing new things learning throughout the summer months but will be adding lots of summertime fun.

Items needed to be kept here to prepare for Summer time fun.

- ✓ Take a look at clothing in the children's cubby; please replace extra clothing supplies for spring and summer
- ✓ Hat-visor optional
- ✓ Swim suits and towel to be left here for the whole summer
- ✓ Swim diapers for children that are not potty trained
- ✓ Swim shoes- highly recommended as we play in the sprinkler and the base swimming pool.
- ✓ Sunscreen before coming to daycare and I will administer as needed.

Hey, DID YOU KNOW....

Nearly 90% of Nebraska's children are NOT correctly secured in motor vehicles

Don't risk the life of your child by allowing him or her to ride in an unsafe or improperly-installed safety seat!

Receive assistance from nationally-certified child passenger safety technicians while learning how to correctly install and use your child's safety seat or booster seat.

- No appointment necessary.
- No fee, but donations are accepted.
- Certified Child Passenger Safety Technicians to inspect and/or help install your car seat(s).
- Please bring two large towels per child seat.
- Bring child(ren) if possible. Expectant parents are welcome.
- If possible bring spouse, friend or relative to help.
- Plan on spending approximately 30 minutes per car seat.

With a tech's guidance, you will learn to install your car seat(s).

May's Curriculum Plan

Letters: Y, Z
Number: 1 - 20
Shapes: Review
Color: Purple

Baby Animals: Animals have babies, just like people do. The children will learn about the different names, homes, foods, and care of baby animals. Cuddle up for some fun with this theme!

Summer Days and Bumble Bees: The bright, buzzing bee is helpful to gardens, flowers, and trees. Activities will include experiencing other bugs in the garden as well. The children will end the month of May getting a taste of a "summer!"

Dandy-lions! Dandelions may be considered a weed to some, but children see them as lovely flowers! Give dandelions the respect they deserve while talking about their color and features.

Happy Mother's Day, May 12, 2009

Please help me welcome our newest, littlest friend and love bug Scarlet "Squrnkey" to our Family Child Care.

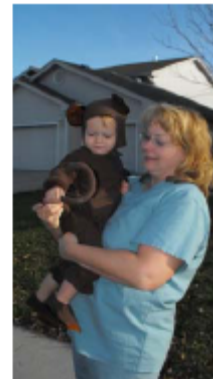

You don't know how much it means to me to have such wonderful children & parents in my care, it makes my job that much more rewarding. Thank you for being you.

The Offutt AFB ORE is scheduled May 26 28th. If you think you might need extended daycare before 6:45a and after 5:30p, please call Angela at 294-9016 to request extended duty care. If you think you might and you do not schedule with the office they may fill that spot and I may not be able to help you.

Schedule it.... Its better planned and then canceled than not planned and then needed.
